

“WHO’S DOING WHAT?”

John and Mary Betts of Redmond, Oregon – Union Oil Company

After retiring from Union Oil Company in 1998, I worked selling/installing Oracle financial software in SAS 70 compliance for eight years. I finally retired in February 2007 and relocated from California to Central Oregon.

Since retiring, we have enjoyed traveling, spending time with our children/grandchildren and participating in sports activities with our active community. We are thankful for all the blessings we have received in our lifetime.

Vergil and Florence McDaniel of Humble, Texas – Texaco

I retired from Texaco November 1, 1986. I will be 98 November 18, 2025. My wife will be 95. My wife and I traveled 49 states and all of Canada, and BVI (British Virgin Isles) in the Caribbean. We will celebrate 77 years marriage December 28, 2025.

Hongyan Xun of Barrington, Rhode Island

Cooking. Painting. Playing the piano. Traveling. Learning French.

Walter Ducey of Rangely, Colorado

Now living in a nice senior home in Rangely, Colorado.

Louis Dominique of Tylertown, MS – Gulf

I am 93 years old. Have 12 acres to take care of and fish pond.

Akindele and Rita Olufowoshe of Katy, Texas – Chevron Corporation

Providing consulting services on parttime basis to energy and private equity companies (including Chevron) on energy (engineering, technology, economics, management). Completed Master of Legal Studies in Energy & Natural Resources at the University of Oklahoma (OU). In addition, continued to travel the world as and when time permits.
