

“WHO’S DOING WHAT?”

Charles R Nicks – We are living in Ville Platte, La – delivering medication for our local pharmacy.

Stephen Harr – At this point, we’re enjoying ourselves. Been in Michigan the past 2+ years because that’s where our children and grandchildren live. Our favorite pastime is CRUISING!!

Harold W. Weinrich – Hello to all, well I made it to my 89th birthday today, not sure that’s a good or bad thing. Having cheese cake with strawberry. Retired in 1990, Union Oil Northern Pipeline, now living in or at a place called “Humangood Hillside Residential Living”, very nice. Work with maintenance group. Take a walk almost every day, have a nice pathway, (have to stop and talk so it takes a lot of time to cover the mile and a half). To all – Good health and stay safe.
